

Community Partnerships is:

COMMITTED!

We work with individuals, in partnership with their families, neighborhoods and communities for the purpose of promoting independence and community participation.

Space is limited this summer. Enroll by May 23rd to guarantee a position in this program.

We teach important developmental skills and have fun at the same time!

**Summer Program for
Children and Teens
2011**

Community Partnerships of Idaho, Inc.

MOUNTAIN HOME

Does your child or teen regress during the summer?

Does he/she have a hard time transitioning back to school in the fall?

If so, Developmental Therapy might be right for them. Therapy will help aid a smoother transition and keep your child in their daily routine.

2011 Summer Program Dates:

Children & Teens: **Starting June 6th** and ending in August (depending on when school starts for your child or teen) with an option to continue with after-school services in the fall.

Children's schedule: M-Th, 8:30am-12:30pm

Teens/Preteens schedule: M-Th, 1:00pm-5:00pm

Community Day: Friday from 9am-3pm

Summer Program Structure

Our summer program is targeted to meet the individual needs of each participant. Each day is structured at the center working on various goals and going out into the community.

A group setting may not be ideal for each participant. Community Partnerships works to provide the best learning environment for each individual. We also provide home-based services.

Community Partnerships provides services out of the Mountain Home office to the following areas: Mountain Home, Glens Ferry, Mtn Home Air Force Base and Grandview.

Listen

Learn

Creating opportunities for people to learn and achieve their goals since 1995

Community Partnerships provides developmental therapy for individuals ages **three to adult**

Community Partnerships values integrity, innovation, relationships and personal dignity. Every individual is an important member of his/her community. We help individuals become active participants in their community.

Support

Aspire!

Developmental Therapy:

Developmental Therapy involves lots of hands-on experience. We help children and teens become more independent and involved in their community. We do this by working with children and teens to develop their skills in daily living, socialization, self-help, communication, etc.

This summer Community Partnerships will have a team leader for each age group. The Team Leader and Developmental Specialist will coordinate a monthly calendar of activities, such as day trips to local pools, the Boise Zoo, Birds of Prey, etc. They will work with your child or teen to create a functional learning program that fits his/her needs and wishes.

For more information, check out our website: www.cp-of-idaho.com/mtn_home

How does my child qualify?

Through an intake process, we can determine if your child is eligible to participate in our summer program. Your child must be Medicaid eligible and have a diagnosed developmental disability.

How do I sign up?

Contact Community Partnerships if you are interested in signing your child up for our 2011 summer program. If your child is not currently receiving Developmental Therapy, you may contact Kristy Cumbie at (208) 587-7626. She will be able to answer questions regarding the summer program and start the application process.

For children already receiving services at Community Partnerships you will need to contact your child's Developmental Specialist to coordinate summer program hours.
